Circular No 135/2017 Dated 5 July 2017

To Members of the Malaysian Bar

Update on E-Courts Phase 2 | Packages Available for Digital Certificate and Token

We refer to [Circular No 104/2017](#) dated 25 May 2017, [Circular No 116/2017](#) dated 8 June 2017, and [Circular No 121/2017](#) dated 16 June 2017, where we informed Members of the Bar that the e-Court Phase 1 system is gradually being replaced by the e-Court Phase 2 system, and provided updates to assist Members with the transition.

The e-Court Phase 2 system was launched at the Kuala Lumpur Court Complex on 13 June 2017.

(1) E-Filing Service Bureaus

We have received numerous complaints regarding e-filing in recent weeks, which include concerns regarding the e-filing service bureaus, such as the high cost of scanning and filing services, the limited number of filings that are accepted per day, and the long queues.

Please note that the Bar Council is following up with the Courts on these concerns.

(2) Registration of E-Filing Account or Renewal of Existing Account

In order to avoid any inconvenience relating to the use of the e-filing service bureaus, law firms are strongly encouraged to register for their own e-filing accounts, and to take advantage of the benefits offered by e-filing.

To register for an e-filing account or to renew your existing token, and for further information, please refer to the “Getting Started” tab at <http://efiling.kehakiman.gov.my/eFiling/>.

(3) Package Deals for Digital Certificate and Token

The following package deals are available for obtaining the digital certificate and token required for e-filing:

No	Type of Package	Price (RM) (inclusive of 6% GST)
(1)	New certificate / renewal of certificate + new token (valid for 2 years)	220
(2)	Renewal of certificate using existing token (valid for 2 years)	180
(3)	New certificate / renewal of certificate + new token (valid for 1 year)	160
(4)	Renewal of certificate using existing token (valid for 1 year)	120

(4) Additional Information

For more information about e-filing and related matters, please refer to the attached user guide entitled “Standard Operating Procedure”, and to the FAQ page [here](#).

Should you have any enquiries regarding the digital certificate and token, please contact Augmented Technology Sdn Bhd by telephone at 03-8926 0550, or by email at ec-support@aug-tech.com.

Thank you.

Roger Chan Weng Keng
Secretary
Malaysian Bar
