**Synopsis:**

Being stateless affects the life of a person in many ways. Persons who remain stateless are denied the right to basic education, legal employment and even healthcare. It is a prevalent issue in Malaysia as a large number of the stateless population is comprised of innocent children.

This webinar series aims to create awareness on the issues surrounding statelessness. The speaker, Annou Xavier will discuss key articles in the Malaysian Federal Constitution, statutes and real-life cases which affect the citizenship status of a person.

**The Speaker:**

**Annou Xavier** graduated from the London University and was admitted to the Honourable Society of Lincoln's Inn in 1996. He was later called to the Malaysian Bar in Oct 1997. Since then, he has been an active practitioner in a wide variety of commercial and civil litigation with many of his cases reported in the Malayan Law Journal, Current Law Journal and All Malaysia Reports. He has conducted many seminars at the State Bars on topics relating to Trial process, Digital Evidence and Citizenship.

Annou has also been involved in some high-profile human rights and constitutional law cases on child citizenship and aboriginal rights which have constantly been highlighted in the media sphere.
