## **JAWATANKUASA PEGUAM PULAU PINANG PENANG BAR COMMITTEE**

Tech 1/21

31 Mar 2021

To Members of the Penang Bar,

### **Request for Feedback on Digital and Tech Issues in Legal Practice**

Covid-19 may have marked a tipping point where we saw the increased necessity for use of legal technology, as law firms and the Courts turned to various tools to meet the challenges and obstacles of a new era from working remotely at home through virtual interactions with the Judiciary and other departments. Legal practice as we know it is already on a trajectory course to upgrade itself in technology in order to continue in its services and to stay relevant.

The Legal Tech Subcommittee of the Penang Bar invites feedback from Members regarding any issues faced in various aspects of digitalising the profession, namely internet connectivity and speeds in your respective geographical locations as well as the tools and platforms that have been used especially in the past year as a result of the pandemic.

Members are requested to share your feedback and comments on current issues as well as any proposals for improvement of legal technology and digital upgrading by contacting the undersigned or sending an e-mail to the Penang Bar Secretariat ([secretariat@penangbar.org](mailto:secretariat@penangbar.org)).
