HOW TO PLAY

1) The game is split into two teams – Villagers and Werewolves.

2) The identity of the Werewolves will be hidden throughout the game.

3) The game will consist several rounds – each round dividing into day and night phases.

4) During night phase, the Werewolves can pick one player to kill.

5) During day phase, the players can discuss among themselves who are the suspect Werewolves and vote to kill one suspect.

6) Among the Villagers, there are also three special characters – Hunter, Witch and Fortune Teller (to be explained further in-game).

7) If all Villagers are eliminated, the Werewolves win.

8) If all Werewolves are eliminated, the Villagers win.
