JAWATANKUASA PEGUAM PULAU PINANG PENANG BAR COMMITTEE

Publication 1/23

7 Apr 2023

To Members of the Penang Bar,

Penang Bar's Magazine - Going Digital

Must all good things come to an end? No, rather it can take another shape or form and possibly be even better.

This is our plan for the Penang Bar's long-standing publication which started under the name "Suara Peguam" disseminating useful and amusing material by our Members for our Members for more than 30 years. In 2019, "Suara Peguam" was revamped as "Voix D' Advocat" which endeavoured to bring more updated contents without losing the pizzazz of halcyon years.

(As a nostalgic reference, please find addendum below the publications from Years 2018 to 2022).

Whilst it is somewhat sad to move away from traditional paper and ink but fact is we are submerged in the digital sphere and also it is our small move towards a greener environment. Given so, the Penang Bar Committee and its Publication Team will henceforth be utilising digital platforms in our continuous efforts to publish contributions by our own Members. We also believe that by moving to e-publications, Members will have easier and faster access and can additionally share forward such contents.

The Publication Team will be actively seeking contribution from regular as well as budding authors from all firms in Penang for the upcoming and inaugural e-publication in May 2023.

The Publication Team would also like to request Members' feedback for us to better understand areas of interest as well as suggestions for a new and improved version of our Penang Bar's publication.

We therefore invite feedback from Members by clicking [here](#).
