JAWATANKUASA PEGUAM PULAU PINANG PENANG BAR COMMITTEE

Small Practice 3/26

18 September 2026

To Members and Pupils-In-Chambers of the Penang Bar,

Peer Support Panel for Small Practices

The Small Practice Subcommittee of Penang Bar Committee is pleased to introduce the Peer Support Panel for Small Practices, an initiative aimed at providing Members practising in small firms with an avenue to seek practical guidance, advice and support from experienced practitioners

A number of senior Members of the Bar have kindly agreed to come on board as peer support practitioners and make themselves available to assist Members who may require guidance on matters relating to the conduct and management of their practice.

Through this initiative, Members from small practices may reach out directly to the practitioners listed below to seek advice, share concerns, obtain practical guidance or seek a second perspective on issues arising in the course of their practice.

The initiative is intended to:

- Provide an avenue for Members in small practices to seek practical advice and guidance;
- Encourage peer support and collegiality amongst Members of the Bar
- Facilitate the sharing of experience and practical knowledge in relation to legal practice and
- Provide support to Members who may require assistance in navigating issues arising in the course of their practice.
